Dear Mr Singhanian,

We confirm receipt of your last supply of 1 ton weights and confirm that they do meet our requirement in terms of handling during use as well as accuracy. Due to tough economic times, we are unable to place another order during this year. However should the situation change we now have a business partner we can rely upon.

Just one small indulgence, can you please send us an electronic calibration certificate for the last shipment.

Regards

Dear Mr. Dlamini,

Kindly accept our Best Compliments.

By the way, we had supplied you our last consignment of Weights on 07.02.2011.

We hope you may be satisfied with the quality of our Weights.

Please can you inform us how did you like our product?

We shall be grateful, if you kindly inform us your future plan for placing fresh order for our Weights.

Thanking you for your co-operation.

Kind regards,

S. K. Singhania
